TIMELESS

BECAUSE ***TRENDS*** ARE BORING.

There are objects that quietly inhabit a space, and others that claim it with unapologetic clarity.

C'est La Vie belongs to the latter.
A lamp collection for those who choose black or white, for those who don't do grey.

Bold without shouting, exceptional without excess.

In a world increasingly saturated with noise, these lamps craft a space to live in: refined, visually powerful, unmistakably unique.

They take over the scene with the confidence of timeless aesthetics and the energy of something meant to be noticed, yet never intrusive.

C'est La Vie is a declaration of intent, a reminder that design is, above all, a stance.

No need to say more.
That's life!

Ci sono oggetti che abitano uno spazio in silenzio, e altri che lo rivendicano con chiarezza assoluta.

C'est La Vie appartiene a quest'ultima dimensione.
Una collezione per chi sceglie il bianco o il nero, per chi non contempla il grigio.

Decisa senza gridare, eccezionale senza eccessi.

In un mondo sempre più saturo di rumore, queste lampade plasmano uno spazio da vivere: raffinate, potenti e uniche.

Prendono la scena con la sicurezza di un'estetica senza tempo e l'energia di ciò che vuole essere notato, senza mai risultare invadente.

C'est La Vie è una dichiarazione d'intenti, il promemoria che il design, prima di tutto, è una presa di posizione.

Non serve aggiungere altro.

ABOUT

UNIQUENESS

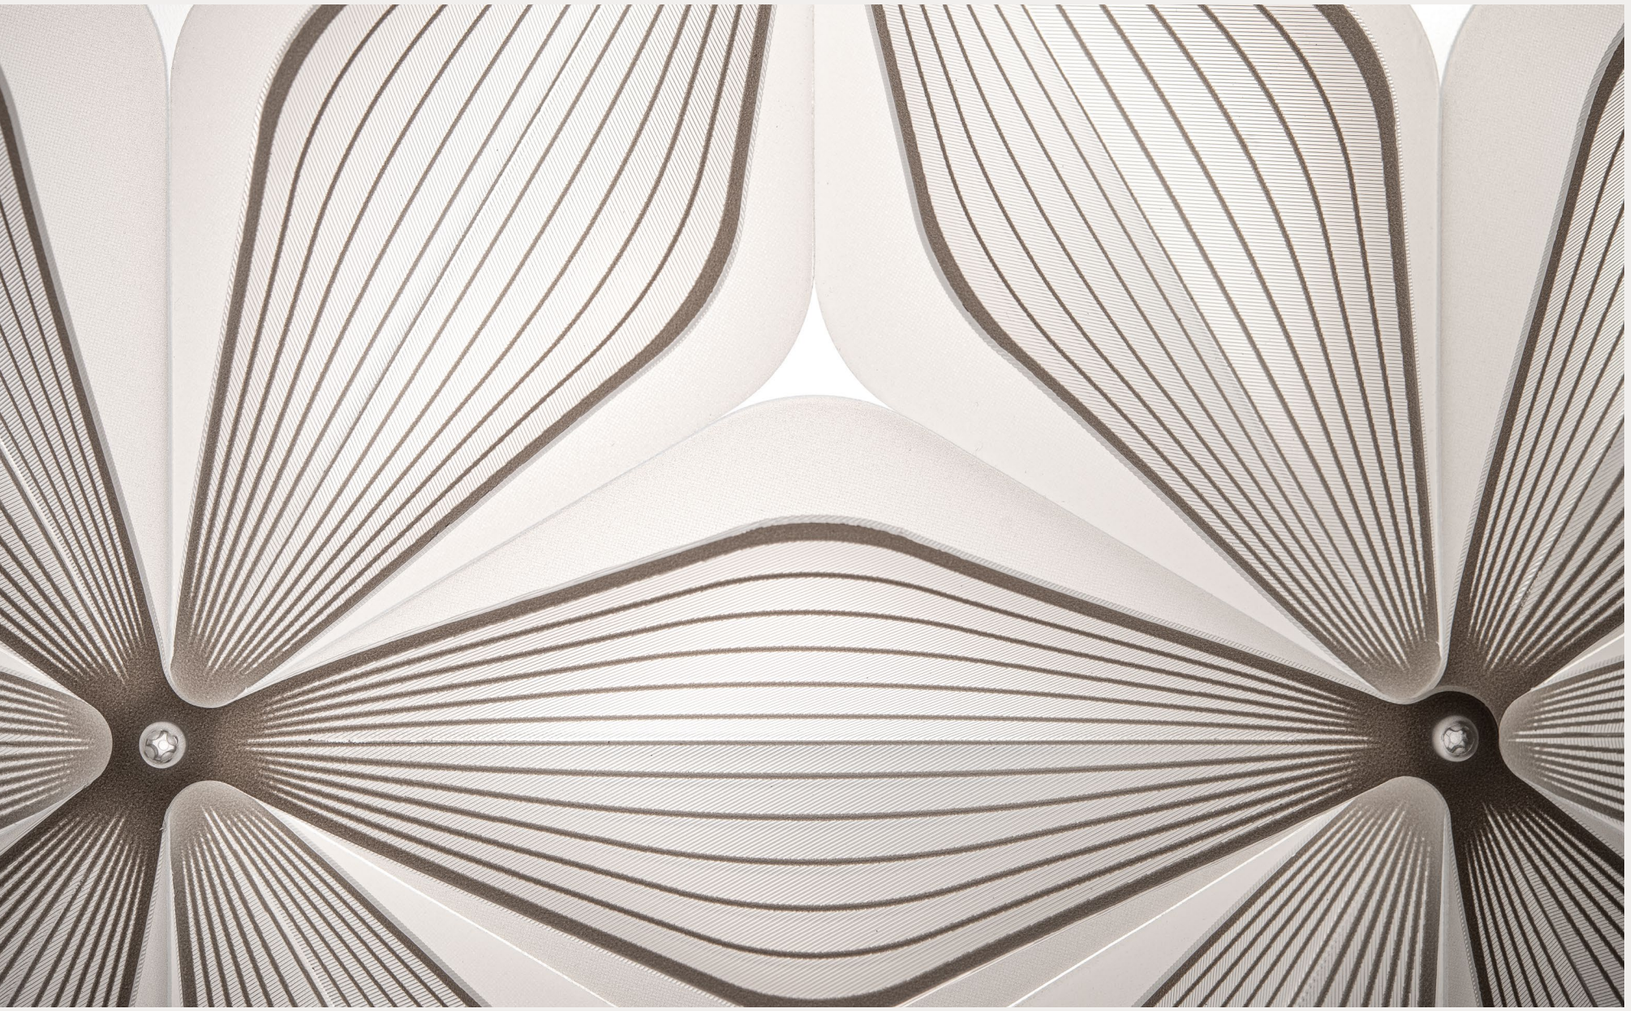

Lighting/Illuminazione:
Large 4X12W E26/E27, Medium 2X12W E26/E27 LED Filament Bulbs.
We recommend 3.000 Kelvin bulbs for a neutral white effect.
Consigliamo lampadine da 3.000 Kelvin per ottenere un effetto bianco neutro.

Size/Dimensioni:
Large Ø70 x h.28 cm (Ø27-1/4"x h.11")
Medium Ø53 h.26 cm (Ø20-3/4" x h. 10-1/4")

Made of printed Lentiflex® and diffusing Opalflex®.
Realizzate in Lentiflex® stampato e Opalflex® diffondente.

timeless

White comes with a bold red cable, black with a sleek ton-sur-ton black one. Both are also available with a transparent cable at no extra cost.

Il bianco è abbinato a un cavo rosso, il nero a un elegante ton-sur-ton. Entrambe le versioni sono disponibili anche con cavo trasparente, senza costi aggiuntivi.

Black doesn't limit the light — it elevates it. The dark version ensures impeccable light diffusion, illuminating spaces and surfaces with natural ease and without any loss in performance.

Il nero non limita la luce — la esalta. La versione scura mantiene una diffusione luminosa impeccabile, illuminando ambienti e superfici con naturalezza e senza alcuna perdita di prestazioni.

A round suspension placed above the table at about 210 cm from the floor creates a visually balanced look and delivers well-proportioned lighting. Shown here: one large white pendant.

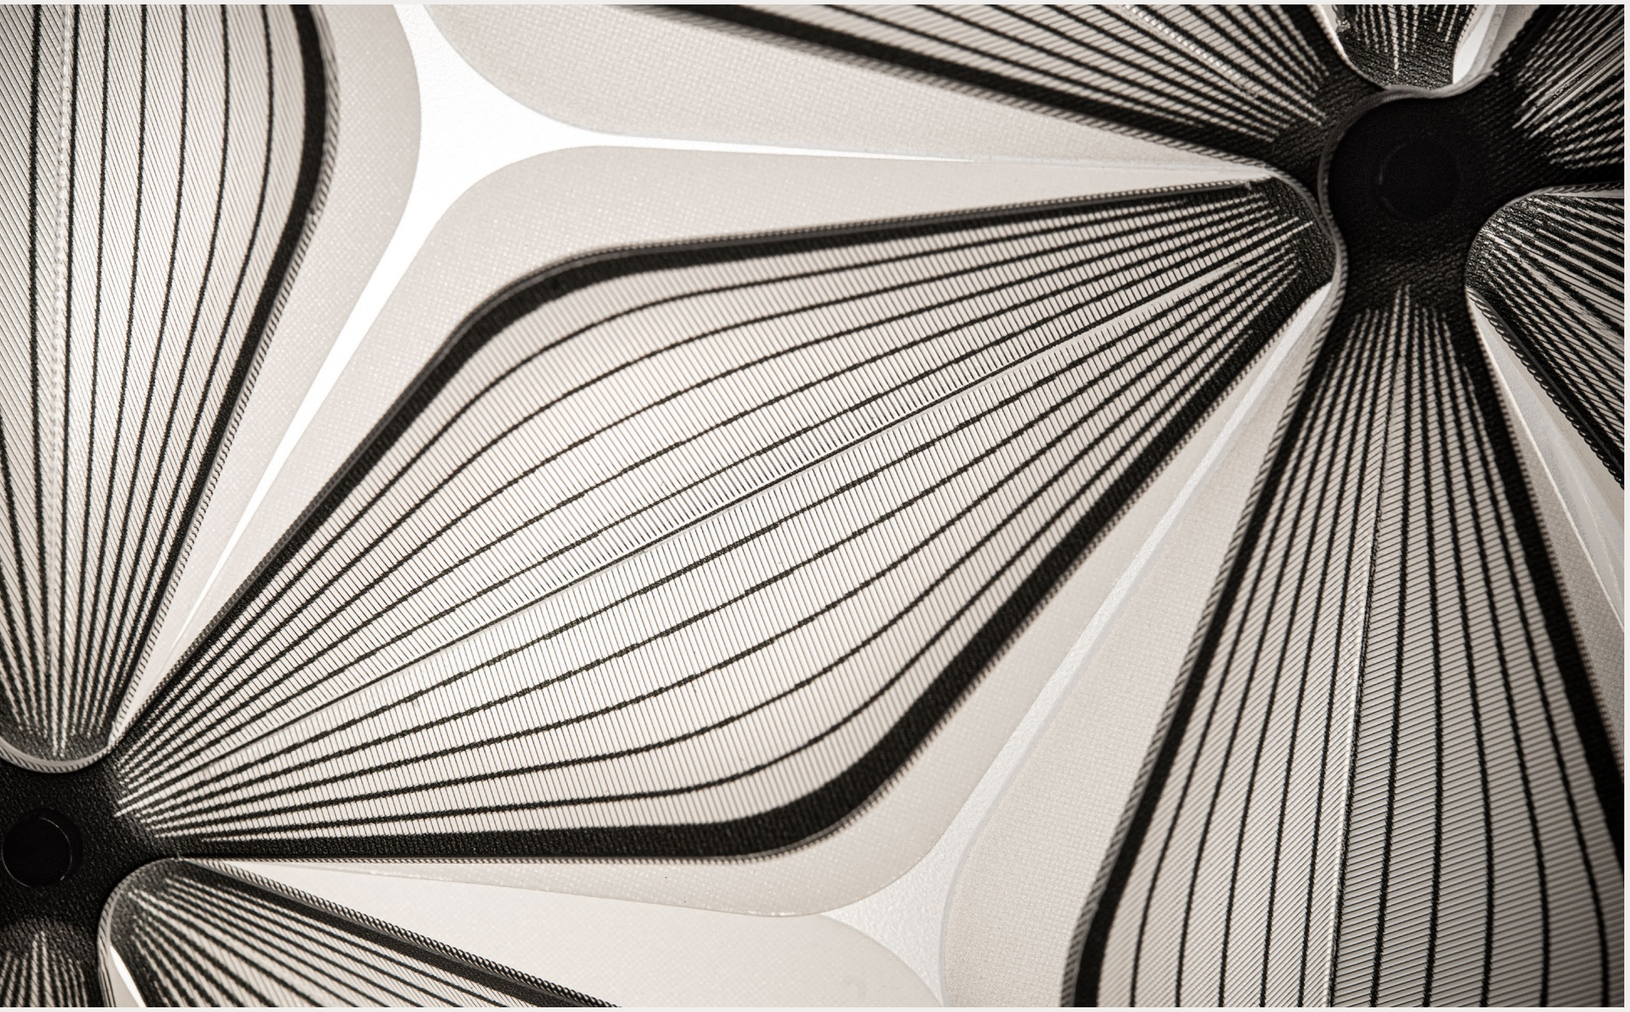

Una sospensione tonda posizionata sul tavolo, a circa 210 cm da terra, offre una soluzione proporzionata visivamente ed equilibrata a livello luminoso. In foto: una sospensione large bianca.

For extra-long tables, using two or more repeated suspensions creates a particularly striking effect. Shown here: two medium white pendants.

Nel caso di tavoli molto lunghi, una soluzione particolarmente scenografica è l'utilizzo di 2 o più sospensioni ripetute. In foto: 2 sospensioni medie bianche.

Bold without shouting, exceptional without excess.
Decisa senza gridare, eccezionale senza eccessi.

MAGNETIC SYSTEM MADE SIMPLE

All versions of C'est La Vie collection are equipped with a **magnetic system**, an innovative system that facilitates installation and cleaning of the petals: the decoration detaches from the light source with a simple click.

Thanks to the magnetic attachment, the installation is quick and safe and not only **simplifies the maintenance** of the product in **domestic contexts**, but also proves extremely advantageous for use in **public environments** by simplifying maintenance and cleaning, ideal for ensuring order in high-traffic environments such as offices, hotels and restaurants.

Tutte le versioni della collezione C'est La Vie sono dotate di **attacco magnetico**, un sistema innovativo che facilita l'installazione e la pulizia dei petali: il decoro si stacca dalla fonte luminosa con un semplice click.

Grazie all'attacco magnetico, l'installazione è rapida e sicura e non solo **semplifica la gestione del prodotto in contesti domestici**, ma si rivela estremamente vantaggiosa anche per l'utilizzo **in ambienti pubblici semplificando la manutenzione** e pulizia ideale per garantire ordine in ambienti ad alta frequentazione come uffici, hotel e ristoranti.

The mini version is ideal for lighting passage areas such as staircases, corridors, and entryways, or placed beside the bed as an accent light for reading.

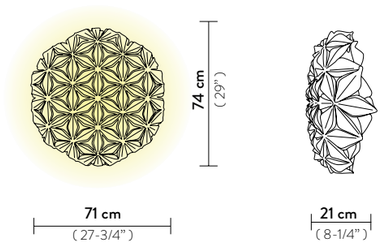

La versione mini è ideale per illuminare zone di passaggio come scale, corridoi e ingressi, oppure accanto al letto come luce d'accento per la lettura.

ELECTRICAL INFORMATION - *INFORMAZIONI ILLUMINOTECNICHE*

The information in this section of the catalogue refers to electrical standards with a voltage of 220V.
The electrical installation components and other accessories may vary depending on the regulations of different countries; please contact us for more information.

Le informazioni contenute in questa sezione del catalogo si riferiscono a standard elettrici A tensione di 220V. Le componenti e le caratteristiche per installazione elettrica possono variare a seconda delle normative dei diversi Paesi; contattateci per maggiori informazioni.

BULBS WATTAGE - *WATTAGGIO LAMPADINE*

The wattage of the light bulbs is suggested for an optimal balance between luminous output and product aesthetics and should not be considered as the maximum power that can be installed on the product. Where explicitly recommended, please follow the indicated bulb size and diameter.

La potenza delle lampadine è suggerita per ottenere un equilibrio ottimale tra resa luminosa ed estetica del prodotto e non deve essere considerata come la potenza massima che si può raggiungere con le lampadine e non deve essere considerata come la potenza massima installabile sul prodotto. Dove esplicitamente consigliato, attenersi alle dimensioni e al diametro della lampadina indicati.

DIMMING SYSTEM - *SISTEMI DI DIMMERAZIONE*

Lamps marked as dimmable are intended to be so only if the electrical system has been prepared for such light variation.
Ensure before ordering that the product's standard or accessory dimming system is compatible with this setting.
This is different for floor lamps and battery-powered lamps marked as dimmable, as their dimmer is integrated.

Le lampade contrassegnate come dimmerabili sono da intendersi tali solo se l'impianto elettrico è stato predisposto per tale variazione di luce. Assicurasi prima dell'ordine che il sistema di dimmerazione standard o accessorio del prodotto sia compatibile con tale predisposizione. Questo è diverso per le lampade da terra e le lampade a batteria contrassegnate come dimmerabili, in quanto il loro dimmer è integrato.

HANDMADE PROCESS - *PROCESSO MANUALE*

Slight differences of colour/size are due to the handmade processes involved, every piece is unique.
Slamp reserves the right to modify products without notice in the event of commercial conditions rendering this necessary.

Lievi differenze di colore/dimensioni sono dovute alla lavorazione manuale, ogni pezzo è unico.
Slamp si riserva il diritto di modificare i prodotti senza preavviso nel caso in cui le condizioni commerciali lo rendano necessario.
